LOTUS FLOWER FOUNDATION'S FIRST GALA DINNER MORE THAN ACHIEVED ITS FUND-RAISING TARGET

THE FIRST GALA DINNER OF THE LOTUS FLOWER FOUNDATION was a coming together of like-minded people for a good cause. Founded by **GABRIELLE VON REDING**, daughter of **MR TAJVARN VORAVARN SAICHEUA** and Swiss **BARON FRANZ VON REDING DE BIBEREGG**, the foundation's aim is to eradicate child abuse through a sustainable development strategy. The gala dinner at Bed Supperclub was held to raise funds for the building and running of the LFF Academy's rehabilitation centre in Nonthaburi. Through the auction of prizes donated by supporters including tennis star **PARADORN SRICHAPHAN**, singer **ARDHAWADEE MINT JIRAMANEKUL**, Six Senses and Bed Supperclub and its Thai artists, more than two million baht was raised that evening. Following the dinner with wines by Fin and the auction, the four resident DJs continued spinning as **RAI VON BUEREN** sold vintage recycled T-shirts for the cause.
