

## LOTUS FLOWER FOUNDATION®

We value the numerous donors and supporters in 2009 who were instrumental in enabling us to develop the LFF shelter and training center, a child centered education facility for orphaned and abused Thai children in need.

### **FINANCIAL SUMMARY 2009**

The LFF's focus in 2009 was on:

Finalizing the opening of the LFF Home for Children in Lard Bua Luang, in order to provide a warm and welcoming environment for the lotus children and lotus day care children. This included the installation of a Montessori kindergarden, a day care facility and the training of 6 main full time staff on the Lotus Flower Blossom Program curriculum (LFBP).

Funds for the forecasted budget of CHF 80,000 were successfully raised through the support of companies such as (PKZ, Rued & Blass Bank, Hyposwiss, Coffee World, Garaventa and more), donor agencies (Phuket Direct Fund), fundraising events in Thailand and Switzerland, and private donors from all over the world. A surplus of CHF 4,147 was transferred straight into the budget for 2010.
